Did you know that the accommodations offered to **IEP students** do not have to end with high school graduation? At OHS's Transition Night, come and learn the different educational and occupational resources available to students with IEPs during high school and as they continue their education.

Representatives from the **UVU Accessibility Office, MATC, Voc Rehab, WIA, Medicaid, ATEC, Ability First, Utah Parent Center, Peer Connections, and Disability Law Center** will be in attendance from 6:00 until 8:00 to give information about their services.
