

LAND Trust Funds

Last year, ATEC's School Community Council (SCC) used LAND Trust Funds to increase life, employment, and reading skills by purchasing books and computers for our media center, life centered education curriculum, sensory room equipment, and a tablet for video modeling.

Daily instruction and the life centered curriculum helped to increase student skills and the sensory room equipment has helped to reduce aggressive behaviors for some students with sensory needs. Since the end of December last year, to the beginning of this school year, the library supplies and books increased student book check out's from zero to more than fifty-two.

Some of the books that were purchased or donated for the ATEC library

ATEC School Community Council

ATEC's School Community Council (SCC) consists of parents, staff, and principal.

Our School Community Council and Land Trust Committee work to address the most important academic needs of our students.

This year the SCC is working on reading, employment, and money/shopping skills, by purchasing library books & equipment, creating work evaluations, and creating a shopping practice area.

School Community Council meetings are held the second Wednesday of the month at 6:30pm at ATEC. Parents are invited to come and participate anytime.

2016-2017 SCC Members:

Debbie Kirk – Chairperson
(dtkirk1@comcast.net)

Denise Glines – Vice Chair
(denise.glines@gmail.com)

Taylor Foulger – Secretary
(tfoulger@alpinedistrict.org)

Jaime Alomia (jaimealomia@hotmail.com)

Nancy Christiansen (wjchristiansen@msn.com)

Maria Cordner (manecordner@yahoo.com)

Debbie Garrett (dlcgarrett@gmail.com)

ReNae Hansen (ranae_hansen@msn.com)

John Hughes (jhughes@alpinedistrict.org)

ATEC's Mission:

To create a safe and supportive environment where students ages 18-22 can learn transition skills to navigate and access their individual adult life.

ATEC's Vision:

Our vision is to provide a program that will allow individuals a seamless transition from the last day of school to the first day of their adult life. We will establish a network of supports to help individuals discover their strengths and interests while achieving goals and dreams with necessary collaboration for success.

What's new at ATEC?

This October marks the first anniversary of our new building! We have loved having the facilities for our students to build new skills, get exercise, and socialize. Because we have been able to practice in our new gym, our team took second place at a district wide basketball tournament last weekend. We feel extremely blessed to be able to serve the students of ATEC in their endeavors.

ATEC's theme for this year is: "Everyday Heroes – The Power of You, the Force of Us." Every month, one student from each class is honored as student of the month. **Each of these students has shown extraordinary efforts in one of the four areas of transition: Living on your own, Jobs, Personal Life, and Education and Training.** The students are given a certificate and their picture is hung on the "Super Hero" wall. We have seen an increase in effort in our students through this program and we are excited about the future work of all of our ATEC Eagles!
