Auto and Shop Information	23	52	37								45
Mechanical Comprehension	91	99	95								65
Military Entrance Score (AFQT) 92											

USE OF INFORMATION

Personal identity information (name, social security number, street address, and telephone number) and test scores will not be released to any agency outside of the Department of Defense (DoD), the Armed Forces, the Coast Guard, and your school. Your school or local school system can determine any further release of information. The DoD will use your scores for recruiting and research purposes for up to two years. After that the information will be used by the DoD for research purposes only.

MILITARY ENTRANCE SCORES

The Military Entrance Score (also called AFQT, which stands for the Armed Forces Qualification Test) is the score used to determine your qualifications for entry into any branch of the United States Armed Forces or the Coast Guard. The Military Entrance Score predicts in a general way how well you might do in training and on the job in military occupations. Your score reflects your standing compared to American men and women 18 to 23 years of age.

EXPLANATION OF YOUR ASVAB PERCENTILE SCORES

Your ASVAB results are reported as percentile scores in the three highlighted columns to the left of the graph. Percentile scores show how you compare to other students - males and females, and for all students - in your grade. For example, a percentile score of 65 for an 11th grade female would mean she scored the same or better than 65 out of every 100 females in the 11th grade.

For purposes of career planning, knowing your relative standing in these comparison groups is important. Being male or female does not limit your career or educational choices. There are noticeable differences in how men and women score in some areas. Viewing your scores in light of your relative standing both to men and women may encourage you to explore areas that you might otherwise overlook.

You can use the Career Exploration Scores to evaluate your knowledge and skills in three general areas (Verbal, Math, and Science and Technical Skills). You can use the ASVAB Test Scores to gather information on specific skill areas. Together, these scores provide a snapshot of your current knowledge and skills. This information will help you develop and review your career goals and plans.

EXPLANATION OF YOUR ASVAB STANDARD SCORES

Your ASVAB results are reported as standard scores in the above graph. Your score on each test is identified by the "X" in the corresponding bar graph. You should view these scores as estimates of your true skill level in that area. If you took the test again, you probably would receive a somewhat different score. Many things, such as how you were feeling during testing, contribute to this difference. This difference is shown with gray score bands in the graph of your results. Your standard scores are based on the ASVAB tests and composites based on your grade level.

The score bands provide a way to identify some of your strengths. Overlapping score bands mean your true skill level is similar in both areas, so the real difference between specific scores might not be meaningful. If the score bands do not overlap, you probably are stronger in the area that has the higher score band.

The ASVAB is an aptitude test. It is neither an absolute measure of your skills and abilities nor a perfect predictor of your success or failure. A high score does not guarantee success, and a low score does not guarantee failure, in a future educational program or occupation. For example, if you have never worked with shop equipment or cars, you may not be familiar with the terms and concepts

assessed by the Auto and Shop Information test. Taking a course or obtaining a part-time job in this area would increase your knowledge and improve your score if you were to take it again.

USING ASVAB RESULTS IN CAREER EXPLORATION

Your career and educational plans may change over time as you gain more experience and learn more about your interests. *Exploring Careers: The ASVAB Career Exploration Guide* can help you learn more about yourself and the world of work, to identify and explore potential goals, and develop an effective strategy to realize your goals. The *Guide* will help you identify occupations in line with your interests and skills. As you explore potentially satisfying careers, you will develop your career exploration and planning skills.

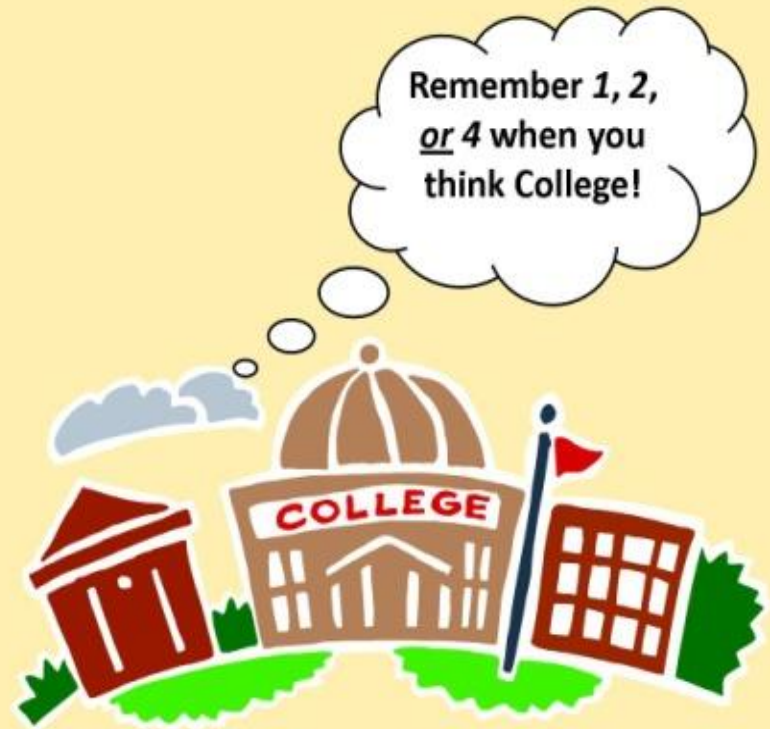

Meanwhile, your ASVAB results can help you in making well-informed choices about future high school courses.

We encourage you to discuss your ASVAB results with a teacher, counselor, parent, family member or other interested adult. These individuals can help you to view your ASVAB results in light of other important information, such as your interests, school grades, motivation, and personal goals.

CTE Pathways Available at Skyridge

*Marketing *Fashion Design *Manufacturing, & Merchandising *Interior Design *Therapeutic Rehabilitation/Exercise * Food Services & Culinary Arts *Family and Human Services *Early Childhood Education *Programming/Software Dev. *Television Broadcasting Technician *Agricultural Systems Technology *Food Production & Processing *Travel and Hospitality System *Entrepreneurship and Management *Nursing *Medical Asst. *Dental Asst. *Cosmetology/Barbering *Pharmacy Tech *Emergency Medical Technician (EMT) *Cabinetmaking/Woodwork *Protective Services

Which Educational Path is right for your future?

Technical Degree

4 year Bachelor's
Degree

ACT Test

- ✿ It's important... so prepare!
- ✿ Score is from 0 to 36
- ✿ National average – 20.8
- ✿ ACT average for admissions:
BYU – 29.2, U of U – 24, USU – 23,
SUU – 23

You will take it FREE, here at
Skyridge, February 28th

BE READY!!

UTAH ACT RESULTS 2016

The Condition of College & Career Readiness 2016 Utah Key Findings

Performance

The 2016 Utah graduating class results reflect the following as far as percentages of students meeting the ACT College Readiness Benchmarks:

~

59% met the English Benchmark; same as 2015

~

35% met the mathematics Benchmark; increase from 34% in 2015

~

42% met the reading Benchmark; decrease from 44% in 2015

~

33% met the science Benchmark; decrease from 34% in 2015

~

23% met all four ACT College Readiness Benchmarks; same as 2015.

MATH during your Senior Year is **CRITICAL-** not **OPTIONAL** to future success

- ❑ **Why does the fourth year of math matter?**
 - ❑ **Best predictor of college graduation.**
 - ❑ **Free college credit.**
 - ❑ **May be the last math class you need to take.**

- ❑ **Fourth year math options may include:**

Accounting, Calculus, AP Calculus, College Prep Math, Math for Decision Making, AP Statistics, UVU Math 1010, UVU Math 1030, UVU Math 1050

- ❑ **Talk with your current math teacher about their recommendation for your fourth year of math!**
- ❑ **GOAL—COLLEGE/CAREER READY WITH MATH SKILLS**

Now...let's bring it back to
to the present: Your 4-Year
College and Career
Readiness Plan

Yes, your **senior year** DOES matter!

Set your CCR Appointment

Pull out your phone

✿ **Set a reminder to schedule CCR appointment with parent/guardian**

✿ **Sign up for Counseling REMIND 101**

Text the number: 81010 or 3856956335

With the message: @shsgrads18

In your CCR ask your counselor about...

1. Regents Scholarship

Receive a \$1000.00 to \$6000.00 scholarship by taking certain core classes in high school and meeting other criteria.

2. Concurrent Enrollment

Earn college credit while taking high school classes.

3. Distance Education

Take UVU classes via interactive video conferencing here at Skyridge as part of your high school schedule.

4. Internship

Job shadow or work in a career field for school credit.

5. MATC

Take vocational college classes and earn a certificate.

Homework!!!

- ✿ Review all the information in your folder. Write down any questions you have and bring them to your CCR.
- ✿ Enter your course requests for next year into Skyward **prior to your CCR appointment.**
