

Cedar Valley High School

Chromebook CHECK-IN Information for Parents

School Chromebook CHECK IN

Dates: May 20, 21, & 22

Times: 9am-Noon

Location: Cedar Valley High Front Parking Lot

Parents of ASD Students,

Schools will be collecting school issued Chromebooks at the conclusion of the school year. Please visit the school to return the Chromebook and power supply according to the information above.

- Students may keep the device until they no longer needed to access the curriculum and complete testing for the current school year .
- If students have a need to check out a Chromebook during the summer to take extended year courses or to complete current school year work, you may check out or retain a Chromebook.
- For more information, please contact our IT person at cgardner@alpinedistrict.org

Chromebook Inspection & Disinfection

Please make sure the device is charged and has power so that school personnel can perform a basic inspection to demonstrate the device is in working order. A returned on date and condition will be noted in the school checkout sheet.

- Does the device power up?
- Does the device have damage?
 - Keys in working order
 - Screen
 - Case
- Is the power cord returned with the device?
- School to provide cleaning wipes.

We will collect all school items at this time. Please feel free to return your textbooks and library books at that time. Please let us know how we can support your student.

Thank you!
