Rob Smith and Rhonda Bromley from Alpine School District, presented bond history and future concerns to city patrons, district employees, PTSA and SCC members. Meeting started at 1:00 and ended at 2:15.

**SCC Meeting began at 2:15** with Principal Carolyn Merrill handing out copy of School Trust Land report that was submitted.

Principal Merrill addressed issues presented by SCC members. Driving range being moved south and improvements added so road closed until construction completed. Adds more parking at north end of range.

Ron Ulloa concerns about students not getting enough driving range time. Principal explained teachers doubled up students to drive and they are required to drive so many hours so all students got driving hours in. Mr. Ulloa said some students sent to class instead of driving. Holly Clayton explained half of students take drivers ed. class and other half take study skills class. All students drive after school on range or out on road. Mr. Ulloa said he would ask parents further questions because it appears the confusion was with the study skills class.

Principal Merrill explained yearly school schedule is set a year in advance. Dates of dances are set according to acquiring venue large enough to hold dances. SCC members asked if yearly calendar could be given to them at next meeting. Principal Merrill introduced Dan Biolo, assistant principal, and said he would be doing the scheduling and he could give the schedule to the committee at their next meeting.

Principal Merrill said she and Mr. Ulloa would still have to discuss and work on the Jazz Band issue.

Secretary asked if there was anyone who could help with the SCC voting on Wednesday night May 27. Two sessions: 5:30 to 6:30 and 6:30 to 7:30. Please get back with her.

Next SCC meeting will be Monday, May 16, at 3:00.
