### High School Students and Parents:

Some classes at your high school are Concurrent Enrollment classes, meaning high school and college credit may be earned for the same class. Please list all Concurrent Enrollment classes the student will be enrolled in throughout the year. Sign and return this document to your high school site coordinator.

**My student has elected to enroll in the UVU Concurrent Enrollment program. I understand the information outlined below and give permission for my student to participate.**

- Students are not enrolled until they are admitted to UVU and have registered through UV Link. Instructions and deadlines are posted on the Concurrent Enrollment web page, [uvu.edu/concurrent](http://uvu.edu/concurrent).
- Students who participate in Concurrent Enrollment will generate an official UVU transcript.
- A 3.0 cumulative GPA is the pre-requisite for academic Concurrent Enrollment classes. A 2.0 GPA is acceptable for Career Technology Education classes. Specific course prerequisites will be listed on the Concurrent Enrollment web page.
- UVU final grades will be assigned by the Concurrent Enrollment instructor at the end of the school year.
- Credits are transferable to all colleges and universities. Contact the receiving institution for how the credits will be applied.
- If a registered Concurrent Enrollment student drops a high school course, the student must also drop the corresponding UVU course by the assigned date to avoid a poor record at the college.
- Sophomore students must fill out and provide required information noted on the "Sophomore Permission" form.

### OPTIONAL | Student Permission to Release Academic Records

Under the terms of the Federal Educational Rights and Privacy Act (FERPA), a student's educational record is, with certain exceptions, held confidential by Utah Valley University. A student may grant permission for information to be provided to a third party by signing this consent form.

I grant permission to employees of Utah Valley University to release any available academic records related to academic advising (e.g., grades, academic standing, etc.) that the University maintains to a parent or guardian.
