

PGHS Community Council Notes

November 15, 2012

Those in attendance: Cheryl Marshall, Laurie Stringer, Kori Thomas, KyLee Veenker, Cindy Hill, Laura Rytting, Shauna DeBuck, Jennifer Yeates, Kelley Giles, Juliet Guilot, Christy Stevenson, Brock Moore, Lynette Buck, Neils Fugal

AP Class Discussion

PGHS offers 18 different AP Classes, we compared how many students were taking the class vs. how many of those students actually took the AP test and what percentage of the students were passing. It was discussed that we needed to make sure we had our best teachers teaching the AP classes so that the students felt prepared for the test. As a whole our teachers and students are doing well. As always there is always room for improvement. It was also discussed that each university handles AP credit differently so it is important for students and parents to stay in contact with their counselors to make sure they have the most current info.

Begin Discussion on Trustland Money

There is strong support to continue our Advocate program. We have individuals from other schools coming to shadow our advocates because of the success PGHS has had with the program so that they can try and implement it at their schools.

Also strong support for continuing Latinos in action.

There is still a need to add math classes to meet the students needs.

It was suggested to look at other schools and how they have used their Trustlands money for possible ideas that may help our students at PGHS as well.

Community Input

IMFlash has donated \$150,000 to fund the Mathlete Program and other similar opportunities ISA going strong, benefits to both the tutor and the student. The state has heard of the success of this program and is coming to check it out to see if they can some how help other schools start a similar program.

PLC Assignments

Math: Jennifer Yeates

Technology: Wendy Vincent

Fine Arts: Kelly Porter

Performing Arts: Laura Rytting

Counseling: Kelley Giles

Health:

English: Laura Rytting

Social Studies: Neils Fugal

P.E.: KyLee Veenker

Business: Rick Didericksen

Science: Mark Clement

Foreign Language: Jennifer Yeates

FACS: Cindy Hill

Special Ed:
