Review Trustland Grant 2012

1. Improve the overall pass rate by 1%
2. Improve the pass rate for sub groups on CRT's (Advocates, Latino's in Action)
3. Improve the pass rate in math by reducing class size
4. Continue to provide a comprehensive curriculum by supporting AP and Language Classes

There was support voiced to continue supporting Latinos in Action, and student advocates

Also a thought to maybe help pay for a facilitator to run the East Shore satellite that will be implemented next year at PGHS.

Review Professional Development

We helped to pay for 8 teachers to attend a Professional Learning Communities Conference in Arizona

Community Input

Steady growth taking place in Alpine School District-prepare for another bond vote

Next Meeting March 12th @ 12:00

Come prepared with ideas for the 2013 Trustland Grant we need to get the rough draft taken care of at this meeting.
