

Dear Parents and Students,

We are happy to announce a new tool for preparing for the ACT Test. The Utah State Office of Education has partnered with the Shmoop website to provide our students access to Shmoop's Online Test Prep.

Students can access their Shmoop accounts by:

- Visiting <http://www.shmoop.com/signup/utah>
- Finding their high school signup page
- Create their username and password

NOTE: The magic word is ARCHES

Once students create their personal Shmoop account they will be able to access practice exams, 100s of drill problems, and review guides to all the topics that will be on the ACT exams. Each practice problem comes with in-depth explanations and even projected exam scores to help students prepare.

We hope you have a wonderful holiday season. The school website has more detailed instructions. We will also talk more about this new resource during CCRs (formerly SEOPs) but if you have any questions, feel free to call us at (801)610-8171.

Thank you,
PGHS Counseling Office
