**(P) = There is a prerequisite for this class. Contact the teacher for more information.**

If a student drops one of these classes, they MUST NOTIFY the Concurrent Enrollment Coordinator at PG (Charlotte Elsey) immediately, or they will receive a UW (F) on their college transcript if not properly dropped from the course.

Concurrent Enrollment Classes are for Juniors and Seniors. Sophomores may take classes with approval from UVU's Concurrent Enrollment Department. A Sophomore by Exception form (with parent recommendation box filled in), along with an ACT, Plan, Explore or Accuplacer Exam Score must be completed to be considered.

**\*\*Sophomores who have already taken Fall CE classes need only fill out the Sophomore by Exception form, with new Spring classes and parent recommendation box filled in.**

**CE courses give high school and college credit at the same time and will generate a college transcript.**

**REMEMBER COLLEGE GRADES ARE PERMANENT.**

You will not receive UVU credit until you register through UVLink at [uvu.edu](http://uvu.edu),

**A Parent Permission Form must be signed to avoid being dropped from the class.**

If you have any questions please call Charlotte Elsey (X120) or Camiel Fairbanks (X129) at PGHS.
