

FORMER Concurrent Enrollment Student

APPLY

◇◇◇ TO UVU ◇◇◇

The admission deadlines are **August 1 for fall semester** and **December 1 for spring semester**. To submit the online application, visit uvu.edu/admissions and complete a **former, returning concurrent enrollment application**. Along with the application, you must submit the following:

- A. **Official transcripts:**
 1. High school transcripts will be considered official if they arrive at UVU from the high school in an official unopened envelope, emailed (admissions@uvu.edu) directly to UVU from the high school, or faxed (801-863-8913) to UVU directly from the high school.
 2. College transcripts will be considered official if they have been issued within the last six months and arrive at UVU from the college/university in an official sealed envelope or sent electronically from the college/university to etranscriptr@uvu.edu using a secure transcript exchange company or certified PDF document.
- B. **Official ACT/SAT or Accuplacer scores:** Current ACT/SAT scores are required for all students under the age of 20; all students 20 or older are required to take the Accuplacer placement test (unless previous college math and English courses have been transferred to UVU). If the ACT or SAT have not been completed or are expired (two years for math and three years for English), placement testing (ACT-R or Accuplacer) is required and can be taken at Testing Services in the Wolverine Service Center. Information, exam costs, and hours are available at uvu.edu/testingservices. All testing must be completed before the admission deadline.

Once your application and all required documentation are reviewed by UVU, an acceptance email, including your UV ID number, will be sent to the email address you provided on your application. Visit the Office of Admissions website (uvu.edu/admissions) for additional resources and contact information.

- B. **Orientation** - All students must complete orientation before registering for classes. You will find instructions on how to meet your orientation requirement at uvu.edu/orientation.

REGISTER FOR CLASSES
