PGHS SCC Minutes for October 5, 2016

We invited the ASD School Board to come and discuss the upcoming bond election on November 8, 2016. We also invited the PGHS PTSA to this meeting. Rob Smith, Assistant Superintendent, gave a presentation that explained the financial needs of the ASD and the reasons they were asking for this bond. He opened it up for discussion and answered many questions. He explained where the money would be spent, how it gets paid back, and how it impacts our school. He also explained the importance of Amendment B in allowing more money being allowed to be spent on today's students.

No specific SCC actions were taken.
