Welcome – Cristie Wood

Approve Minute from Sept Meeting

Paula Jardine motioned to approve Minutes from Sept meeting, Amanda Siebert second. All approved

Cristie Wood gave everyone a quote about making an impact on a child

District Vision and Report on Leadership Team. Plan to be submitted – Dr. Stewart

Discussed how PTA and SCC and parent groups impact students. The District has a shared vision of learning. Dr. Stewart tries to give teachers and staff leadership opportunities. The collaborative culture, since 2003, has been giving better teaching to students. Pleasant Grove has a 92.3% graduation rate. Our goal is to connect the groups of leadership and teacher teams, intervention teams and SCC/PTA. Dr. Stewart will submit roster, principle assurance and final report of SCC by Oct. 20, 2017.

Vice Chair Election

Amanda Siebert and Laura Clement are interested. Cheri Hardman motioned that Amanda Siebert fill the position of SCC Vice Chair. It is a one-year position. Paula Jardine second. All approved.

SCC Training Review

Cristie Wood showed everyone the SCC Training Binder and will forward the link online that everyone will have access to.

Reviewed Roles and Purpose of School Community Council

We can find the information on the school website. SCC program expenditures are to meet critical academic student need. The original intent of Trust Lands money was to help the students who were dropping out so they wouldn't become a burden to society. SCC needs to use data to make decisions. Advocates help both low and high achieving students. They help everyone.

Digital Citizenship

Technology helps all students be more engaged. Students can use technology during advisory or before or after school. School is on track to becoming a 1 to 1 school with technology in a few years.

District Community Council – Andrea Motto

Andrea introduced the District Community Council. There are 38 reps (each rep represents up to 4 schools) She has been on SCC for the past 10 years. The DCC gets a feeling of what is going on in the school and then reports at a meeting with the superintendent and school board. They discuss things and somethings are resolved in those meetings. The DCC also supports community council if needed and clarify things for SCC.

ISA is a student Association that kids help tutor other kids. The Media center offers a writing lab. Math students can get help at lunch or go to math lab after school three days a week.

Fight the New Drug

There will be a double assembly on October 12, 2017 this year from Fight the New Drug.... An antipornography organization. There will be a parent meeting that night at 7:00 for all parents of students. PGHS SCC invited to attend as well.

Discussion of December Meeting
