

Principal

It's an exciting time to be a Pioneer! Our Lehi roots run deep, and we are fortunate to be part of such a great, supportive community.

There are a lot of great things happening at Lehi High School, and we have highlighted some of them for you in this year's stakeholder's report.

Our teachers and staff continue working hard to help students achieve high levels of learning through engaging instruction and extracurricular programs. Our rebuild is well underway, and we were able to begin second semester in our new gyms. We look forward to opening our new classrooms and auditoriums in the spring. We express sincere appreciation to our school faculty, staff, and especially to our parents and the community for their patience and support.
