

# Lehi High CE BIO

Here at Lehi High, we are proud to offer concurrent enrollment courses for Utah Valley University. The recommended pathway is 1010/1015, then 1610/1615. However, if you only have one year, you may do 1610/1615 with the AP testing option.

CE Biology 1010+1015  
4 Credits  
AP/CEBiology 1610+1615  
5 Credits
