

## **MISSION**

 Provide a safe, positive, alternative environment empowering each student to learn.

## **VISION**

 We believe in providing academic, social, and emotional well-being opportunities for our students to fulfill their potential in becoming resilient, productive members of society.

## **VALUES**

- |   |  |
|---|--|
|  Acceptance    |  Kindness     |
|  Determination |  Perseverance |
|  Flexibility   |  Resiliency   |
|  Integrity     |  Respect      |

## **GOALS**

-  Provide a supportive learning environment that enriches the lives of every student and helps them progress on their pathway to graduation
-  Become an effective team of educators focused on student learning and their well-being
