MVHS Bruins Engage, Achieve and Contribute

We encourage all MV students to make the most of their various high school opportunities by living our school vision to *Engage, Achieve and Contribute*.

What does it mean to Engage? We want our students to be involved in the classroom as well as an activity related to music, dance, performing arts, sports, or one of our many clubs.

What does it mean to Achieve? We want to see every Senior graduate! We want all students to take a college level course, from our AP classes, Distance Learning, or Concurrent Enrollment courses.

What does it mean to Contribute? We want you to succeed so that you can put yourself in a position to enrich the lives of those around you beginning with your family, friends, and community!

Whenever you put on the Cardinal, White and Gold know that you are representing generations of Bruins who have gone on to accomplish great things! Add to that Bruins Legacy. -PRINCIPAL DAVID H. SMITH
