What is needed by the student-athlete:

1) Eligibility packet (If one has been completed previously this year 2012-13, it is already on file).

- See your coach or Mr. Hunter AD
- If your sport holds a tryout and official cuts are made by the staff, each athlete who has a packet on file needs to fill out the tryout checklist in place of the packet on file

2) Proof of insurance (this is noted in the packet, sometimes is left blank). There is an option for seasonal coverage if needed. See your coach or Mr Hunter AD

3) Current Physical Exam (It is recommended to have them done each year, however these are good for 3 years.

Again if you have any questions please contact the head coach or our athletic director.
