### UVU LIVE INTERACTIVE CLASSES

The following courses are for mature, motivated students who are good self-starters and independent learners. Students must have an excellent attendance record, a **cumulative 3.0 GPA**, and meet prerequisites in some classes. UVU professors broadcast their classes to our distance learning labs where students interact with the professor and other students through interactive television. **These courses do not follow our A/B bell schedule**, so students must be willing to meet time schedules set for the classes. **Grades earned will show on high school report cards and generate an official college transcript**
