

College Application Week

Nov 12-16

We are encouraging all seniors to apply to at least one college during this week. Representatives from many colleges will be here during the week (see schedule below). But, students can apply to *any* college on *any* day during Application Week.

The counseling team will also be available to help in the Career Center (room 600) each day during lunch and after school.

Each Senior who completes an application can spin the wheel in the Counseling Center to win a prize!
