Student Email: _____ Student Phone Number: _____

Program Preference (Please check one):

Preference will be taken into consideration but is not guaranteed.

- North House AM (A1, A2, B5, B6, 7:50-10:15 every day)
- North House PM (A3, A4, B7, B8, 11:30-1:50 every day)
- South House AM (A1, A2, B5, B6, 7:50-10:15 every day)
- South House PM (A3, A4, B7, B8, 11:30-1:50 every day)

Parent/Guardian Information Section:

Guardian Name: _____ Guardian Phone Number: _____

Guardian Email: _____ Alternate Phone Number: _____

Emergency Information Section:

Insurance Provider: _____ Preferred Hospital: _____

Insurance Group Number: _____ Member Number: _____

- Please check the box when a copy of the insurance card has been attached.

Health, medical or medication needs: _____

I understand that balance, dexterity, strength, good hand/eye coordination and common sense are necessary attributes for this course. This class is taught at a working construction site as the students build a home under the supervision of a licensed contractor. The student must be able to lift at least 50 lbs and climb ladders and scaffolding. I understand that as a parent I am responsible for the medical needs, transportation, and clothing (for inclement weather) for my student. Parent Initials: _____ Date: _____

Alpine School District Career & Technical Education Carpentry 1 & Carpentry 2 Photography Release & Program Information

Promotional Videos, pamphlets and flyers: These videos are produced to promote the carpentry program. These videos are shown to students, parents, counselors, administrators and teachers.

Educational Videos: These videos are tutorials, made to show others how to perform the work being done. Example: How to Install Doors.

Year End Videos: These videos are made to give our students a journal of the work they have done throughout the year. This video may also be used for promotional purposes.

Newsletters: These are produced to keep students, parents and administration informed of past, current and future events.

Yearbook: Some schools have requested digital pictures of our job site and students to use in the school yearbook.

Blog & Social Media: These are used to showcase student work and promote the program.

I have read the information above and give my permission for Alpine School District to use my students photo for the purposes mentioned above. Parent Initials: _____ Date: _____

The carpentry program is to prepare students for employment or post-secondary education in engineering architecture and construction management as they build a house on site, giving students proficiency in structural sequences, components & materials. The following competencies will be taught on site:

Surveying	Excavation	Concrete	Framing
HVAC	Plumbing	Electrical	Drywall
Finish Carpentry	Painting	Flooring	Decks

This program is a partnership between The Clyde Company, The Utah Valley Home Builder Association, and UVU. Students can earn 6 UVU Concurrent Enrollment credit hours upon completion of this course.

I have read and agree to the information above and give my student permission to enroll in the Carpentry 1& Carpentry 2 courses.
