

Math Placement Recommendations

The following is a list of recommendations for math placement for most students from the 2011-2012 to the 2012-2013 school year. As always, modifications for some individual students will be necessary. In such cases, factors such as teacher recommendation, class grades, CRT scores, and parent input should all be considered.

2011-2012 Grade Level	Class	2012-2013 Recommendation	Notes
6	6th Grade	Intermediate Math 1	
		Intermediate Math 1/2 accel	Placement testing required
7	Math 7	Intermediate Math 2	
	Pre-Algebra	Intermediate Math 2	
	Algebra 1	Intermediate Math 2	For 7th graders who struggled in Alg 1
		Secondary Math 1 Honors	For 7th graders who succeeded in Alg 1
8	Pre-Algebra	Secondary Math 1	
	Algebra 1	Secondary Math 1	For students who struggled in Alg 1
		Secondary Math 1 Honors	For students with A/B grades in Alg 1
	Geometry	Algebra 2	
9	Algebra A	Secondary Math 1	
	Algebra 1	Geometry	
	Geometry	Algebra 2	
	Algebra 2	Precalculus	
10	Algebra 1	Geometry	
	Geometry	Algebra 2	
	Algebra 2	College Prep	May vary depending on the school
		Precalculus	
	Precalculus	College Prep	May vary depending on the school
AP Calculus			
11	Algebra 1	Geometry	
	Geometry	Algebra 2	
	Algebra 2	College Prep	May vary depending on the school
		Precalculus	
	College Prep	Precalculus	
	Precalculus	College Prep	May vary depending on the school
		AP Calculus	
		AP Statistics	
AP Calculus	AP Statistics		

Note: Honors sections of Algebra 2 and Precalculus are available at most high schools. The Algebra 2 and Precalculus courses listed above may be treated as either regular or honors.
