## WESTLAKE'S FIRST SPIRIT BOWL!

*By, Kimberly Huynh, edited by Mr. Dunn*

**Good Job to everyone who participated in the last Friday. Juniors won the 2009-2010 Spirit Bowl.**

As you all know Friday was the spirit bowl. Students were randomly asked to participate in the games for the assembly. Several students from each grade were chosen to participate.

The activities were

- Duck tape to bleachers
- Shaving cream (styling hair)
- The obstacle course
- Frosting on nose
- Tug-of-war
- Cheetos with shaving cream
- Hullahoop

The spirit bowl was all about who had the most school spirit. By the end of the competitions, the juniors surpassed everyone else ((cheaters! -Kim) they won it fairly, -ed.) The spirit bowl was a big success, thanks to everyone who participated in any way.

Next year our Spirit Bowl will be bigger, better, and more competitive than before, so I hope you keep your Westlake spirit strong. Way to go Juniors!

### **Cheetos and Whipped Cream**

One of the games was to spread whipped cream all over your head, then have your teammates throw Cheetos at you. The winner was the one with the most Cheetos stuck on after 2 minutes.

# ATHLETICS

Top: Westlake Girls Soccer tryouts were held on Friday.

Center : Cheerleading tryouts are next week, March 18 & 19 in the Dance Studio.

Bottom : Westlake girls softball this Tuesday and Thursday at home. Games start at 4:00.

# Spring Sports Tryouts

By, Alex Edwards, edited by Mr. Dunn

Spring sports are here! Spring?, you may say. Yes, spring is here. Even though it still looks like winter, spring sports have already started.

Soccer tryouts happened this past week and the team is looking quite promising. We are anticipating great things from our Sophomore, JV, and Varsity teams. I asked a soccer player how he feels the varsity team will perform in their upcoming games.

“Our team is young and has never been on the field with an opposing team before. Our abilities as a team are outstanding, but when it comes to working as a team. That will be the real test.”

Baseball and softball also look to be quite promising, with a team line-up that could put fear into the hearts and minds of many great teams in the region. Westlake has some very hard hitters this year, so keep your eyes open for those home runs.

The spring sports tryouts have mostly finished now, but that doesn't mean you can't be part of the team. Be a part of the Westlake team and show up to the sporting events and games. Be a part of our school, and remember, Westlake needs you just as much as much as you need Westlake.

# PROM at La Caille

By, Dylan Behrmann, edited by Mr. Dunn

Hey Westlake, if you have missed all the Prom posters in the hallway, then you should know all the info about the biggest dance of the year.

If you're a senior, this is your dance. If you hate dances and you have never been to a school dance, this is still your dance. Even if you don't have a date, you should go with a group of friends, because this is going to be the best dance of the year.

Prom is going to be held at La Caille, in Sandy. Tickets are \$65 a couple for just the dance, and \$125 for dinner and dance for a couple. The dinner is from 7-11 and pictures and dance are from 4-11. There will be a full dessert bar for everyone during the dance.

We will also have a Promenade before the dance on Saturday. The Auditorium will be decorated for you and your parents to take pictures. Pictures will also be available from Cory Adams that night, but, rather than being stuck taking pictures with your parents at

home, come to the Auditorium and walk across the stage in style.

Make sure you get your dates to Prom! It's coming up quicker than we all expected, March 20. Tickets cannot be bought at the door so make sure you ask that one "special someone" while you have the time. If you have any questions, see Mr. Dunn.

## SCHOOL ACTIVITIES

Top : 9th Grade Night Dance was last Friday. It was a lot of fun.

Center : Musical, "Damn Yankees!" Opens this Thursday.

Bottom : Student Council Elections are in the end of March. If you want to be on student council, you must have your packet turned in by Friday, the 19th.

# Student Council Elections

By, Ariadne Cipili, edited by Mr. Dunn

Are you going to be a full time student a Westlake next year (2010-2011)? Do you have a cumulative GPA of 3.0 or higher? If the answer to these questions is yes, then listen up! You qualify to be one of Westlake High School's very own Student Council members. Whether you're a Junior interested in being Student Body President, or a Freshman interested in Sophomore secretary, all it takes is this; adherence to all Westlake High School campaign policies and have an election packet completed and submitted to Mr. Dunn by Friday March 19, 2010 at 3:00 pm.

Interviews will be held at WHS March 23-25. Followed by the campaign period March 26-April 1. Voting will take place online March 30, 31, and April 1. The moment everyone is waiting for, (the results!) will be announced April 2nd at our Elections STOMP. The elections are based 40% on

interview with Administrator and advisor, 20% on student vote, another 20% on participation in election week, 10% on teacher recommendations, and 10% on completion and neatness of election packets.

Now I know it may seem intimidating to put yourself out there and do things like interview with an Administrator. However, Student Council opens so many doors, its a chance for you to incorporate your own ideas into your high school, and its a blast! After talking to Chanelle Larrabee (Artist on Student Council) who said,

"I love just being involved; the summer retreats were so much fun, and I got a lot of experience for college. You learn a lot of interview

skills that are really important."

A lot of people want to be on student council but only some give it a go, if you really wanna make a difference, you should seriously consider it. I know I would!

If you have any questions at all, please see Mr. Dunn in room B 105. You can pick up a packet there and find out anything else you want to know about the elections or what it takes to be on Student Council.
