FOOTBALL 2-0

BY: KATY MOLLINARI

THERE WASN'T A BIT OF ANXIETY IN THE ATMOSPHERE, BUT THERE WAS A SURE SENSE OF CONFIDENCE. NOR WAS THERE A MOMENT OF SILENCE. THE CROWD STOMPING, THE BAND ROARING, THE CHEERLEADERS YELLING, IT WAS AN EXPERIENCE TO BE HAD. THE FIRST HOME GAME WAS A SUCCESS. FOR A LACK OF A BETTER TERM, THE MIGHTY THUNDER ANNIHILATED THE TIGERS. THE WHOLE DURATION OF THE GAME, WESTLAKE WAS IN THE LEAD. IN THE END, WE SCORED AN ASTOUNDING 42 POINTS COMPARED TO OGDEN'S MERE 7 POINTS SCORED. THE MIGHTY THUNDER WILL FOREVER AND ALWAYS DOMINATE. WHAT ELSE IS THERE TO SAY?

HOWDY HOEDOWN

BY: HANNAH PRICE

Not only did we have a fantastic football game, but the Howdy Hoedown was a blast! The students had a chance to unleash the Thunder and go crazy while under the lights of the Friday night stars. While the DJ was rocking out behind his stage, the students celebrated yet another victorious football game! Hardly any country music was played, but the music was very upbeat and energizing. There were many students there, all participating in fun dances like YMCA or the Cupid Shuffle. Definitely a night worth remembering!

Boom Squad

By: Becca Crabtree

Who has the most Westlake pride? As much as you may argue, it is our Boom Squad. Don't know what that is? Well Boom Squad is the one in charge of our Movie Night tonight and many other student activities. Boom Squad has so much spirit and they are always in the stands cheering on our football players.

If you happen to see someone wearing a Boom Squad shirt, say hi. Be friendly. They are also some of the friendliest people you meet. If you want to do Boom Squad you can look more into it and try to join next year so that you too can show your westlake pride!

Feel free to help out our Boom Squad by cheering as loud as you can at all our football games and show those other schools who has the most school spirit. Also, make sure that you go to all of the Boom Squad sponsored events and thank them for all the work they put into planning some awesome events for us! Not to mention their awesome shirts!

Boom Squad works really hard to make sure that we can all have some extra fun at school events so make sure that you tell any members thank you for working so hard. If you want to join, it is too late to join this year. But don't fret yet. There will always be next year! Make sure you keep up on the Boom Squad announcements and get into the class so you too can have as much fun as them!

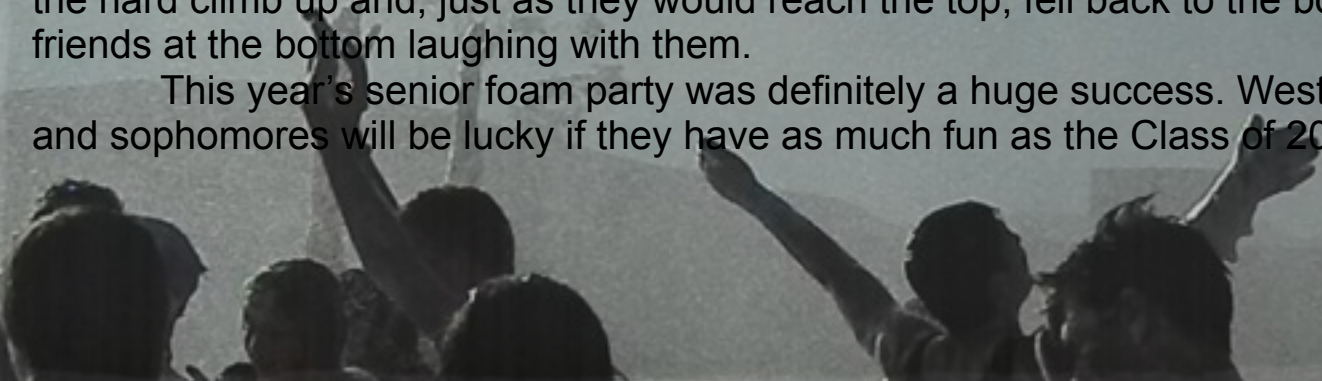

Senior Foam Party!

By: Mady Wilkins

Foam flying through the air; seniors laughing, screaming, and running all over the place; a pit of foam; a slippery bouncy slide. Put all these together and you get the best senior foam party known to mankind.

As seniors rocked out to today's top hits, firefighters sprayed them with foam, and then the real fight began: who could soak their friends with foam first? Friends pulled each other down into the foam and both fell in, others picked their friends up and threw them into the pit, still others flung foam at each other. After people were soaked, they ran to the bouncy slide where they would get stuck, sliding into other people and falling to their knees trying to go up to the slide. As they got to the ladder, many began the hard climb up and, just as they would reach the top, fell back to the bottom, their friends at the bottom laughing with them.

This year's senior foam party was definitely a huge success. Westlake's juniors and sophomores will be lucky if they have as much fun as the Class of 2014 did!

The Slurp

By: Carter Johnson

If you haven't been to the Slurp yet, it should definitely be on your list of places to try. They have a treats ranging from sugar cookies to the biggest snow cones you'll ever see. It's inexpensive and super fun for anyone. Their famous "Jacked" sodas are to kill for. The inside has been made into several sitting rooms, each decorated in their own quirky way. It's on 241 W Main St in American Fork. Go and have some delicious fun.
