Westlake Event Marketing

The Westlake High School Boom Squad and Event Marketing Class is dedicated to building every program, club and team to be the very best that it can. We promote every student and event with passion and pride. Our purpose is to raise each program to be an example of "Light and Excellence" in our school, our community and our state. The Boom Squad is our student support group that represents and attends as many events both home and away. Westlake High School and the Event Marketing class is looking for individuals, businesses and companies to share in our vision of "Light and Excellence." A partnership with Westlake High School is a partnership in activities, athletics and scholarship. Our vision is to be great and we believe that we are well on our way to being that. Your support will benefit our student body to continue to be a beacon of "Light and Excellence" to all those who see and visit our school. We thank you for being a part of the Westlake community and your support.
