

THE STORM REPORT

WESTLAKE HIGH SCHOOL, SARATOGA SPRINGS, VOLUME 5

Drama's One-Act Play Takes the Win!

By: Becca Crabtree

Region and State Theatre Meet gives students the opportunity to prepare a scene, classical scene, dramatic or humorous monologue, pantomime, as well as a musical theatre piece to be judged at a region level. If the student receives an overall superior at region, they qualify for state. In addition to the individual events, you may bring a one-act play to be judged. It may also qualify for state with an overall superior rating.

Our whole amazing drama team qualified for state this year and went on to earn a first place title for their one-act play! Congratulations to our drama team and their wonderful work! If you happen to see a drama team member around anywhere, make sure to congratulate them on a job well done!

- TRACK AND FIELD @ LEHI UTAH COUNTY INVITE

Musical Theatre Also Taking the Win!!

By: M'Taya Johnson

We need to say congratulations to our Musical Theater group due to their win in the state competition. They were judged on:

Interpretation - which includes tempo, rhythm, understanding and communication of the plot, and projection of emotional content of the play.

Characterization - which means displaying what the character wants, and if it's a clear performance.

Voice - which is projection, diction, articulation, pitch, and tone.

Movement - which is choreography, their facial

expressions, gestures, use of blocking, movement, picturization, balance, and use of the stage's space.

Overall Presentation - if the performers have good chemistry with each other, was the selection

entertaining, informative, or inspiring, and if the portray realistic characters through content of the play's material.

*This is also the One-Act Play group, no pictures of the musical theater group were available at time of publication.

Life Lessons from the Senior Class of '14

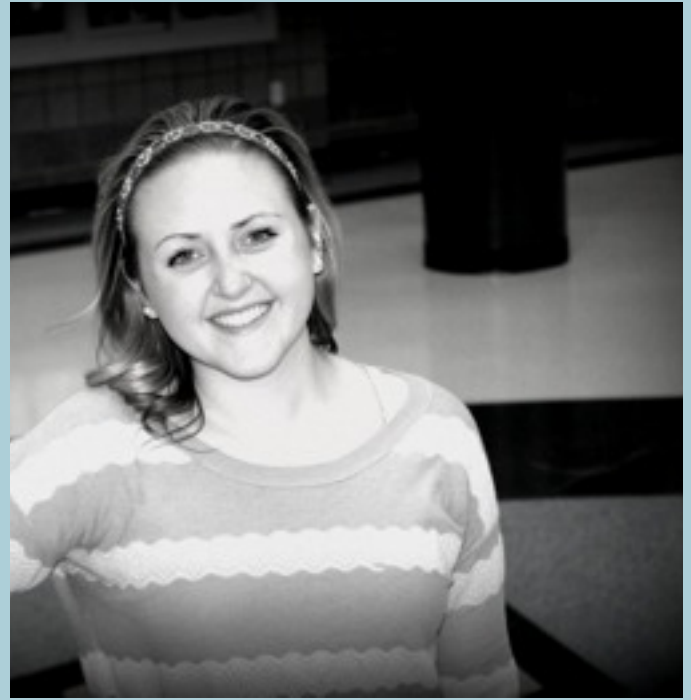

"Take advantage of the opportunities you have. You have so many things that you can do in high school. You get to learn how to be responsible for yourself. You have an opportunity to have a fancy night (like Prom). Possibly make life long friends. Maybe find your life long partner. Take advantage of the things you have that others don't." -Anonymous

"A little effort goes a long way. In order to make it through high school, you just need to give some effort. You don't have to rack your brain in order to make it, but you can't do nothing and expect to get out. All that is necessary is just a little effort. Just a little bit of self motivation and you can do it. This is applicable to all things in life." -Anonymous

STUDENT COUNCIL 2014-15

These students will be the representatives for next year's Junior and Senior Classes. They are excited to begin working with you and doing their best to make the next one or two years of your high school experience the best they can be! We are excited to welcome them in as 2014-15's Student Council!
