

ACT Junior Testing

3 Mar 2015

*** Please remind 12th Grade Students that this is a good day to schedule college/trade campus visits and 10th Grade Students to job shadow with a parent or guardian. If a Senior or Sophomore student comes to WHS on testing date or if a Junior arrives late to school and testing has begun, they will be in the Media Center/Lecture Hall in study hall for the day.**

Because this is a traditional ACT Exam and scored, parents are encouraged to not check their student out during the day and to have their student to school on time, otherwise their test will be forfeited. Please bring No.2 pencil and approved calculator. No Cell Phones will be permitted.
