

Westlake Fall Student Athlete Registration

Students who wish to participate in a FALL sport at Westlake High School (soccer (W), volleyball (W), football, tennis (W), golf (M), or cross country must complete the registration process on [Register My Athlete](#) *prior to tryouts*.

If you have previously created an account at Westlake, please select the sport you want to participate in to continue with your registration.

To be academically eligible, students need to have a GPA of 2.0 or higher with no more than one F during the quarter prior to tryouts and during the sport-specific season. Coaches may also require that student athletes in their program maintain additional specific academic and/or attendance requirements throughout the season.

Students must be enrolled in at least **SIX credit earning classes at Westlake** to be eligible to compete in UHSAA extracurricular activities.

All students MUST have health insurance to participate in any athletic program. If your athlete is not currently insured, the District partners with a company to offer low cost insurance for your student. You can collect a pamphlet at the school, [click here for a copy of the pamphlet](#), or you can [click here to sign up](#). You will need to contact Myers-Stevens directly to find out more about their coverage.

Physical: Students need ALL THREE FORMS (consent, history, physical) found here: [UHSAA Physical Form](#)
All three forms must be scanned and uploaded together. We cannot accept photographs of your forms. They must be SCANNED. **YOU MUST USE THE UHSAA PHYSICAL FORM.**
